

# RETURN OF THE FADER.

{music production USB Automation/Transport controller | mouse-free music production}

## FADERPORT

{ music production USB Automation/Transport controller }

The FaderPort puts the feel, vibe, and efficiency back into music recording and production. No more clicking through menus and drawing automation edits with a mouse. The easy-to-use FaderPort delivers complete transport control for fast and efficient recording along with touch-sensitive motorized fader for writing perfect fades and automation. Pan, mute, solo, and record enable can also be easily controlled with the FaderPort along with window selection, play, stop, record, and managing markers (locate points) for fast and easy recording. The FaderPort works with all Mac or Windows-based recording software including Pro Tools, Cubase, Nuendo, Sonar and more.
